Capability Statement

KZF DESIGN FEDERAL GROUP

Greg Hutzel, Director
greg.hutzel@kzf.com

Federal government clients need a design firm to deliver on time and on budget — and to be experts in security, complex regulations and specific procedures. KZF Design is proud to fill these multifaceted requirements wherever our clients are located — nationally or internationally.

KZF's designers specialize in work ranging from small to very large, complex projects — from purely functional buildings to award winning designs — and from conventional project design to design/build and other delivery methods. No matter what projects entail, we are fully committed to addressing the particular needs and highest aspirations of our clients. We believe in traditional values — honesty, integrity and a strong work ethic.

CLIENTS

- US Army Corps of Engineers
- US Air Force
- US Navy
- Department of Homeland Security
- Department of Defense Education Activity
- Federal Bureau of Prisons
- National Park Service
- Department of Energy
- Ohio National Guard
- NASA

CORE COMPETENCIES

- Architecture
- Civil and Structural Engineering
- Mechanical, Electrical and Plumbing Engineering
- Interior Design
- Landscape Architecture
- Lab Planning
- Military Master Planning
- Area Development Planning
- Transportation and Traffic Planning
- LEED®/Sustainable Design
- Workplace Design
- Feasibility Studies
- Facility Assessments
- Construction Administration/ Inspection
- DD1391 Preparation
- Code 0/Code 3/Code 9 Planning
- Project Requirement Documents/ Programming
- RFP Development
- Design/Build and Design/Bid/Build
- Technical Review (A-E 3) Services
- Building Information Modeling

FEDERAL CONTRACT VEHICLES

W912DY24D0051*
USACE Huntsville Architect-Engineering Support Indefinite Delivery Contract (HAESI)

W9133L25DA019*
National Guard Bureau, Architect Engineer IDIQ in support of Air and Army National Guard Vertical Construction Programs, Regions 2-9

80AFRC25D0001*
NASA, Western Regional Architect-Engineering Services (WRAES)

FA8903-21-D-0026
AFCEC AE Next Pool 1, 2021-2031

15B10021D00000002
Federal Bureau of Prisons Mid-Atlantic Region A-E IDIQ

70Z05018DKZFNPL08
Department of Homeland Security, Nationwide A/E MATOC

HDEC0319D0005
AE IDIQ for the Defense Commissary Agency

W912HV-19-D-0003
USACE Japan, IDC for AE Services to Support Military Engineering Design and Planning Services

80GRC019D0013
NASA, Architect & Engineering Services at the Glenn Research Center

FA4661-23-D-0005
US Air Force, Multiple Award IDIQ for Architect and Engineering Services for Dyess AFB

W9123624D6001
USACE Norfolk, Architect-Engineer IDCs for DoDEA Design Center

Contract Pending: 68HERC24R0128*
EPA, Architect-Engineer IDIQ for Regions 5 through 10

**contract performed with our SB MP JV*

CAPABILITY STATEMENT
FEDERAL GROUP

Greg Hutzel, Director, Federal Group
greg.hutzel@kzf.com

BUILDING TYPES

Administration Facilities
Facility 30219,
Wright-Patterson AFB, OH

Recreation & Physical Training Facilities
5th BCT Physical Fitness Facility, Ft. Stewart, GA

Medical Facilities
Hill Air Force Base Medical Clinic, Hill AFB, UT

Headquarters Facilities
ARSOAC Headquarters, Ft. Bragg, NC

Hangars and Flightline Facilities
AFSOC Campus, Yokota Air Base, Japan

Barracks and Housing
Starship Barracks Renovation and Dining Facilities, Ft. Jackson, SC

Communications & Command
TRANSCOM Permanent Facility, Scott AFB, IL

Vehicle Maintenance Facilities
Tactical Equipment Maintenance Facility, Ft. Benning, GA

Military Master Planning
Range of the Future Infrastructure Roadmap for Space Launch Delta 45, Patrick SFB/CCSFS, FL

Laboratories & Research
ElectroChemistry Engineering Facility, NSA Crane, IN

Child Development Centers
Replica CDC, Ft. Bliss, TX

Dining Facilities
IBCT Dining Facilities, Ft. Bliss, TX

Correctional Facilities
Big Sandy United States Penitentiary and Prison Camp, Inez, KY

K-12 Educational Facilities
Stearley Heights Elementary School, Kadena AB, Okinawa, Japan

Training Facilities
2nd Brigade Combat Team Complex, Ft. Stewart, GA

Entry Control Points
Access Control Points (ACP) Planning Level Layouts, Adelphi Laboratory, MD

Firing Ranges
US Customs Advanced Training Center and Firing Range, Harper's Ferry, WV

Munitions Facilities
High Performance Magazine, NSA Crane, IN

SUSTAINABILITY

- 17 LEED® Accredited Professionals
- 50+ LEED® Registered Projects
- Over $1.6B in Sustainable Design & Construction
- LEED® Gold and ENERGY STAR® Certified Corporate Headquarters

U.S. GREEN BUILDING COUNCIL MEMBER
